

NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: 17 December 2019 - until further notice

LOCATION: Northampton Washlands

DETAILS:

Please be advised water levels in the Northampton Washlands have been lowered following a mechanical problem with the secondary sluice gate. Levels will remain lowered until further notice.

Please navigate with caution in this area but please note Strong Stream Advice is currently in force at present.

You can contact us at the Environment Agency on 03708 506 506 between 9am and 5pm, Monday to Friday and ask for the Waterways Team in the Lincolnshire & Northamptonshire Area.
