

NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: 12 February 2020 – Until Further Notice

LOCATION: Wadenhoe MillStream - TL0119883361

DETAILS:

Please be advised that there is currently a fallen tree blocking the Wadenhoe millstream.

While this is not in the main navigation channel, there are private moorings along that short stretch.

We are working with the landowner to achieve a rapid removal, which will be undertaken once the current Strong Stream Advice has been lifted.

We apologise for any inconvenience caused.

For more information contact our River Inspector Ian Cook on 07920087741 during normal working hours (0800 – 1600 Mon - Fri) or Waterways Duty Officer on 07384249151 outside these times
