

NAVIGATION ADVISORY NOTICE

River Nene

DATE: 18 May 2020 – Until Further Notice

LOCATION: 300 Downstream of Perio Lock

Please be aware of two drooping trees that are causing a restriction to the navigation channel in the area shown above. Both trees are from the RH bank (looking downstream) and are passable with care.

Please exercise caution while navigating in this area and vessels heading upstream are to give way to those heading downstream.

We are liaising with the landowner for early removal of these issues.
