

## NAVIGATION ADVISORY NOTICE

### RIVER NENE

**DATE:** 8 June 2020 – Until Further Notice

**LOCATION:** Woodford Lock – D/S Landing Stage

#### **DETAILS:**

Owing to partial failure of the fender at the downstream end of the landing stage, the end two bollards have been taken out of use to prevent accident / damage risk while mooring up.

The affected area has been taped off and boaters are requested not to attempt to use these bollards for mooring until defect has been rectified and this notice has been rescinded.

We apologise for any inconvenience caused.

For more information contact the Environment Agency on 03708 506506 and ask for the Nene Waterways Team.
