

UPDATED NAVIGATION CLOSURE NOTICE

Section 15 Anglian Water Authority Act 1977

Black Sluice Navigation

DATE: 17 August 2020 – **11 October 2020**

LOCATION: Boston Lock, South Forty Foot Drain

DETAILS:

Due to unforeseen circumstances these works have been delayed and will now commence on Monday 17 August 2020 and are now due to be completed by 11 October 2020.

Boston Lock will be closed for planned works which include undertaking a drain-down inspection of the lock chamber along with required maintenance and refurbishment activities.

The scheme will also enable essential repair works and a survey of the structure to ensure resilience for navigation and flood defence.

For further information please call Andrew Rouse, Environment Agency Project Manager on 07818 077303.
