RIVER NENE AND RIVER GREAT OUSE & TRIBUTARIES

DATE: 1 March 2021 for approximately 4 weeks

LOCATION: Various Locks

DETAILS:

Contractors working on our behalf will be carrying lock chamber cleaning over the next few weeks on the Nene and Great Ouse & tributaries. Works will be undertaken from a work boat within the lock chamber, therefore some short delays may be experienced.

Please ensure you make your presence known when arriving at a lock that is being cleaned, safely and within social distancing guidelines. Spotters/banksmen will be on site and signage will be displayed at the locks being worked on. Please take heed of any instruction given on site.

These works are river and weather condition dependant, so may be subject to change at short notice.

You are also reminded that you should only be navigating on the river in line with the current Government Coronavirus restrictions and latest travel advice.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Nene or Great Ouse Waterways Team.
